**Patent license agreement between Pacific Bag, Inc, and
AMPAC FLEXIBLES/ KAPAK** (United States Patents 5,147,272,
5,254,073, 5,542,902, 6,021,624 and 6,023,914)

Date: 5/25/07

AMPAC FLEXIBLES COMPANY(owner of KAPAK) and Pacific Bag, Inc. have reached an agreement to extend AMPAC's patent licensing agreement with PBi relating to patents on the stand up pouch with a one-way valve so long as the patents remain in effect (i.e. United States Patents 5,147,272, 5,254,073, 5,542,902, 6,021,624 and 6,023,914). "As the stand up pouch format grows in coffee, its nice to know our customers who use stand up pouches with a one-way valve, or those considering stand up pouches with a one-way valve are protected from costly and time consuming supply interruptions or litigation", stated Mark V. Howley. CEO of Pacific Bag.
